We are delighted to be able to offer a fall tennis program! It is important for us to provide a safe environment for our participants and staff. Please read this information thoroughly prior to attending class.

Registration and program details:
- The deadline to register is **72 hours** prior to the start time on your first day of class. This will allow us to better plan for the new procedures.
- We will **NOT** be accepting students without registration.
- The first four-week session will be held **OUTSIDE** only.
- Our student to teacher ratio will be smaller for most programs than in past sessions to allow for social distancing.
- An additional session will be coming following the conclusion of this session, subject to any new information and protocols from the University of Iowa and public health officials.
- Masks are required at all times while indoors, **including when playing tennis indoors**.
- Restrooms and drinking fountains are available, however we encourage students to bring their own water bottle.

Inclement Weather Information
- The email you enter at the time of registration will be used to communicate any changes to classes due to inclement weather.
  - You may also call **384-1215** to check the status of a class.
- Tennis courts take time to dry following rainy weather. Please keep in mind that this may affect their playability and future class sessions.
- Be prepared to dress appropriately for cooler weather.

Drop off/Pick up and Spectators
- Students in group lessons:
  - Please ENTER the facility through the FRONT door of the HTRC.
  - Please EXIT the facility through the EAST door of the HTRC (by the Iowa Turf). This will help avoid congestion and assist with social distancing.
- Please follow the marked pathways in the building
- While parents may stay and watch, we encourage parents to **only drop off the kids when possible**. If parents do plan to stay:
  - Please bring you own chair (placed on cement **ONLY** - no chairs on the court surface)
  - Stay 6 feet apart from others at all times.
  - Masks are required inside the HTRC, to and from the courts, and when not social distancing while outside.
- Please arrive as close to the start of the class time as possible to avoid congregating.
  - Once you enter the HTRC, please go immediately to the outdoor courts where there is more space available.
- After class please exit the building as soon as reasonably possible. You will exit doors to the EAST – please do not go through the front of the building.
Class details

- Students will be asked to use hand sanitizer before entering the courts and following class (this will be provided in the building).
- Masks are required at all times while indoors, and to and from outdoor courts.
- Your equipment should be placed in the designated areas.
- Maintain at least six feet of social distancing at all times.
- Participants will be asked not to touch the tennis balls.
  - Most participants will be given a ball pick-up device that will be cleaned before and after use.
  - If a ball pick-up device is not available, simply tap the balls with your feet or racket and roll them to a spot for other with devices.
- No congregating after class.
- Drills will be organized to allow for social distancing.
- Restrooms and drinking fountains will be available.
