COVID Protocols: We will be following all the current COVID guidelines suggested by the university at the time of the class. The following guidelines are currently in place:

- Summer classes are scheduled on the outdoor courts with indoor courts reserved for inclement weather.
- Masks are required at all times when inside the HTRC. This includes when students are playing. Please keep your nose and mouth covered with the masks.
- Masks are not required during outdoor play, yet students are still welcome to wear them.
- Please try to arrive no more than about 5 minutes before your class and leave as soon as possible afterwards to help congestion in the lobby.
- Students will be asked to set their equipment and water bottles down 6 ft from others so when they are getting a drink they are at a safe distance.
- Our student to teacher ratio will be very low to offer a safe class.
- Parents may stay and watch class from the viewing deck indoors or the bleachers/patio outdoors. We do ask you to keep at least 6 ft. away from others and wear a mask.
- Hand sanitizer is available on each indoor court.
- Drinking fountains and restrooms/locker rooms are open.
- Students can bring their own snack. We will ask them to stay 6 ft from others will eating.
