Sport Description

Have you ever watched your favorite NBA players compete in the All-Star Weekend 3-point shootout? Ever think to yourself that you can make those shots? Well here's your chance! The Intramural Sports Program is hosting its own 3-point shooting contest! You won’t be shooting against any NBA All-stars, but it will definitely give you bragging rights with your friends and a cool T-shirt. This contest will be held just like you see on T.V. with 5 racks of 5 basketballs, the last one being a bonus ball! Do you have what it takes to be the best 3-Point shooter at The University of Iowa? Sign-up for FREE to find out! See you on the court, and good luck!

Important Information

1. Before the event all players must present a valid UI or state-issued photo ID to participate.

2. Champions of the 3-Point Shooting Contest will be invited to compete in the State of Iowa 3-point Shooting Championship against other shooters from Drake, UNI, and Iowa State.

3. Each shooter will have 60 seconds to shoot 5 balls from 5 racks positioned around the 3-point line. One rack will be positioned at the top of the key, one on each wing, and one on each baseline.

4. Each shooter may begin from either corner of the court.

5. The clock will start upon the shooter's first release.

6. The first 4 balls on each rack are worth 1 point, and the fifth ball is worth 2 points. A shooter must have both feet behind the 3-point line when each ball is released.

7. A shooter's total score is determined by adding up the total points he/she receives for all baskets made.

8. Each competing organization is allowed only 2 entries to accumulate points in the Coach’s Corner Intramural Sports Points Championship, but there is no maximum on the amount that can register. The top 2 entries for each organization will count towards the point total. Individuals must designate their team affiliation before the event begins.

Any student whose physical condition or health status is such that participating in Intramural Sports might be detrimental to himself/herself is ineligible to play unless he/she has written permission from University Student Health. Determining his/her health status and getting permission to play is the responsibility of the student and must be arranged by the student. 11/00
