</tr>
</tbody>
</table>

**Event Format:**
Register and participate on-site; Top score in Men’s and Women’s will be crowned champions. Champions will be invited to compete against the champions from Drake, University of Northern Iowa, and Iowa State

---

**Sport Description**

Have you ever watched your favorite NBA players compete in the All-Star Weekend 3-point shootout? Ever think to yourself that you can make those shots? Well here’s your chance! The Intramural Sports Program is hosting its own 3-point shooting contest! You won’t be shooting against any NBA All-stars, but it will definitely give you bragging rights with your friends and a cool T-shirt. This contest will be held just like you see on T.V. with 5 racks of 5 basketballs, the last one being a bonus ball! Do you have what it takes to be the best 3-Point shooter at The University of Iowa? Register on-site to find out! See you on the court, and good luck!

---

**Important Information**

1. To participate in Intramural Sports, a UI Student, Faculty, Staff or Affiliate must purchase an Intramural Sports Membership. This $20.00/semester membership allows you to participate in almost any Intramural sport/event that semester. Once the Intramural Sports Membership is purchased, there is no additional cost to register.

2. Before the event all players must present a valid UI or government-issued photo ID to participate.

3. Champions of the 3-Point Shooting Contest will be invited to compete in the State of Iowa 3-Point Shooting Championship against other shooters from Drake, UNI, and Iowa State.

4. Each shooter will have 60 seconds to shoot five balls from each of five racks positioned around the 3-point line. One rack will be positioned at the top of the key, one on each wing, and one on each baseline.

5. Each shooter may begin from either corner of the court.

6. The clock will start upon the shooter's first release.

7. The first four balls on each rack are worth one point, and the fifth ball is worth two points. A shooter must have both feet behind the 3-point line when each ball is released.

8. A shooter's total score is determined by adding up the total points earned for all baskets made.

9. Each competing organization is allowed only two entries to accumulate points in the Coach’s Corner Intramural Sports Points Championship, but there is no maximum on the amount that can register. The top two entries for each organization will count towards the point total. Individuals must designate their team affiliations before participating. More information on the Coach’s Corner Intramural Sports Points Championship can be found at: [http://recserv.uiowa.edu/coachs-corner-intramural-sports-points-championship](http://recserv.uiowa.edu/coachs-corner-intramural-sports-points-championship).
