Sport Description

Been honing your dart skills on the weekend? Want to see how you stack up with the entire University of Iowa? Or, just want to come on out and have some fun playing darts? Well, look no further, Intramural Darts is back again! There are both Singles Open and Doubles Open divisions, and you can play both! Intramural Darts will be a single-elimination tournament with open teams, meaning males will compete against females. So, if you think you’re the best, or just want to get out and have a good time, get to IMLeagues.com and get registered!

Important Information

1. Check the Intramural Rules and Regulations in regards to eligibility.
2. For Doubles play, if 100% of your team’s final roster completes the anonymous, online e-Checkup To-Go alcohol assessment, your team’s entry fee will be refunded in full to your team captain’s University Bill. Instructions to the assessment can be found at: http://recserv.uiowa.edu/echeckup-go.
3. In order to participate, players must provide a valid UI or state-issued photo ID.
4. Matches will use cricket scoring – the individual/team must hit three 20’s, 19’s, 18’s, 17’s, 16’s, 15’s, and bullseyes to close out the game. Hitting a double will count as two. Hitting a triple will count as three.
5. Players must be present and ready to play within 5 minutes of a game’s scheduled start time.
6. Men and Women will be competing against each other in the open tournament.
7. All participants will use the electronic boards (plastic tip). Participants may use their own darts if they choose (must be plastic tipped).
8. Any forfeit/no-show will result in a $20.00 Forfeit Fine. This fine is charged to the University Bill of the team captain.
9. Doubles rosters must have two people registered and must be paid by the registration deadline. If a conflict arises and a team must switch out a player for another, that must be done prior to the night of the event by completing a Player Drop Request Form and adding the new player through IMLeagues.com.
10. Co-Rec teams competing for the Coach’s Corner Intramural Sports Points Championship must compete with one male and one female throughout all Intramural Darts contests. Teams must compete with all males or all females in order to earn points for men’s and women’s organizations.
11. Each competing organization is allowed only two team entries in both doubles and singles to accumulate points in the Coach’s Corner Intramural Sports Points Championship, but there is no maximum on the amount of teams that can register. If more than two teams per organization are entered, the top two finishing teams will be counted for points. Individuals must designate their team affiliation before the event begins.
