Sport Description
Have you ever watched your favorite NBA players compete in All-Star Weekend festivities? Do you and a friend ever wish you got the chance to do one of those events? Well, here’s your chance! The University of Iowa Intramural Sports Program is hosting its own Hot Shot Contest! You and a partner won’t be shooting against any NBA All-stars, but it will definitely give you a chance to have some fun and see how you do. The winning team gets Intramural Champion T-shirts! Grab a friend and come on down to the Field House South Gym to see which duo has the hottest shot on campus!

Important Information
1. Before the event all players must present a valid UI or state-issued photo ID to participate.

2. Each team will have 60 seconds to score as many points as possible from any of the 5 designated locations.

3. Teams may start from any designated position. After a participant shoots, she/he will rebound her/his own ball and pass it to the next shooter at a different location.

4. The clock will start upon the shooter's first release.

5. Each basket made at a location will be valued between 1 and 5 points marked on the floor.

6. Teams that make baskets at every location will receive a 25 point bonus.

7. Each competing organization is allowed 2 entries to accumulate points in the Coach’s Corner Intramural Sports Points Championship, but there is no maximum on the amount that can register. The top 2 entries for each organization will count towards the point total. Teams must designate their team affiliations before the event begins.
