Important Information

1. Check the Intramural Rules and Regulations in regards to eligibility. Before each game, all players must present a valid, UI or state-issued ID to participate.
2. Teams may consist of males and/or females with no restrictions on the number of players of each gender on a team.
3. A female scoring a run will count for 2 runs for the team’s total.
4. Teams must have at least 6 players on the roster to complete registration. However, up to 10 registered players may participate in a game. Teams with less than 10 players are at a notable disadvantage. Keep this in mind when putting your team together to avoid added difficulty in the tournament.
5. Teams may add players to their team up to 15 minutes prior to the start of the tournament’s first scheduled game.
6. Each team will kick its entire line-up (max of 10) while 8 opposing players are in the field. The inning is over after the last kicker has scored or an out has been made during the play in which the last kicker kicks.
7. The amount of runs scored per half inning is limited to 10 runs (Exception: If females score, then the maximum depends on the number of females in the lineup).
8. Each game will consist of 5 innings or 30 minutes, whichever comes first. A new inning will not begin after the 30-minute time limit.
9. A team that forfeits a scheduled game will be charged a $20.00 Forfeit Fine to the team captain’s U-Bill.
10. In order to accumulate points in the Coach’s Corner Intramural Sports Points Championship, Co-Rec teams must have at least 4 males and 4 females signed-in and participating in every game in which that team participates. For Men’s, the team must have fewer than 4 females on the roster. For Women’s, the team must be comprised entirely of Women to receive points.
11. All rules and regulations can be found on the Intramural Sports website at recserv.uiowa.edu/intramural-sports.

Any student whose physical condition or health status is such that participating in Intramural Sports might be detrimental to himself/herself is ineligible to play unless he/she has written permission from University Student Health. Determining his/her health status and getting permission to play is the responsibility of the student and must be arranged by the student. 11/00
