2015 TENNIS RULES
(Updated 06/15)

Rule 1: Facility
1) All matches will be played at the Hawkeye Tennis and Recreation Complex. Alcohol and tobacco are not permitted inside the complex or in the parking lot. All court reservations must be made through the HTRC staff at (319) 384-1215.

Rule 2: Player Eligibility
1) All Intramural Sports eligibility rules apply. Please check the Intramural Sports Rules and Regulations carefully.
2) For doubles teams, only one team member may be a member or coach of a Tennis Sport Club.

Rule 3: Ground Rules
1) Tennis uses a "play-by" tournament format, meaning players will be paired with an opponent for first round matches. Players will have one week to play their matches before advancing to the next round of the tournament. The bracket will be updated the day following the deadline for each round, or sooner if possible. It is the responsibility of each player/team advancing in the tournament to set up the date and time for the next round to be played. Contact information for your next opponent will be provided to facilitate communication for future matches. The results of each match are to be emailed by both teams/participants, to kaci-turpin@uiowa.edu upon completion. Make sure that the winner's name, loser's name, and the scores are all listed in the email. The results must be submitted no later than 11:59 PM on the day of the deadline. All match results will be posted on IMLeagues.com.
   a. **Note:** If the match cannot be played within one week, both players must contact the Intramural Sports Office and notify the Intramural Staff when the match will be played. Note that the extension of a deadline is only permitted with approval from an Intramural Sports Administrator and does NOT extend the following round’s deadline.

2) If a match is not played by the deadline, or the results of the match are not submitted on time, the result will be a double forfeit and elimination from the tournament. Participants/Teams that forfeit will be assessed a $20.00 Forfeit Fine. Make sure you schedule and play your matches well before the deadline to avoid last-minute conflicts.
3) All matches are self-officiated. If a disagreement should occur in regards to a line call, point, game, or match, it should be handled immediately by the players involved. All players should mutually agree to replay the point. No protest, other than for eligibility, will be accepted by the Intramural Staff. This tournament will observe the official rules reproduced by the Physical Education Activities Series in their book Game/Set/Match, by James E. Bryant.
4) A match shall consist of best 2-out-of-3 sets of “No-Ad” scoring (love, 15, 30, 40, deuce, winner). The first player to win 6 games (Example: 6-4), wins the set. If a set is tied at 5 games apiece, a player/team must win 2 games to make the score 7-5 to win the set. If the set becomes tied at 6 games apiece, a tiebreaker will be played with the first player/team scoring 7 points winning the set. If the tiebreaker is even at 6 points apiece, the first player/team to gain a 2-point advantage will win the set. The first player/team to win 2 sets wins the match.
5) Substitutes are not allowed after a player has played his/her first match.
6) The tournament is single elimination.
7) Participants/Teams who forfeit their first-round matches will not receive a can of balls.
