Sport Description

Volleyball is a non-contact sport that is played indoors. Each team will have a minimum of 4 players on the court at a time with the object to get the ball grounded on the other side of the court. Each team has 3 hits in order to get the ball to the other side. The goal is to win 2-out-of-3 sets to win the match. Volleyball is an exciting sport where no experience is necessary! It allows you to escape the stress from school and get some frustration out as you pound the ball to the ground. With many types of leagues offered, you can find the right competitiveness and team to fit your skill level. So recruit some friends and join us on the Field House Main Deck and bump, set, spike your way to the championships!

In order to create a team and pay your registration fee, each captain must pass the Captain’s Quiz. The quiz will become available Monday, September 14, 2015. The quiz is available by clicking the “Create Team” button on the Volleyball home page on IMLeagues.com.

All captains are encouraged to utilize the Captain’s Guide, which will be available for viewing on IMLeagues.com once the “Create Team” button has been clicked. It is also available on the Intramural Sports website. Failure to utilize the resources made available to you is not an excuse for not knowing sport or program rules or regulations.

If a team captain fails to complete the Captain’s Quiz, he/she will not be able to register a team. A captain can take the quiz as many times as needed in order to register his/her team.

Space in each time slot is limited, so please have all items completed promptly.
