B. What is a Sport Club?

A Sport Club is a registered student organization that competes in athletic contests against other University club teams regionally and nationally. Sport Clubs practice weekly during the academic-year and travel throughout Iowa and the nation to compete in tournaments and matches.

C. Sport Club Program Membership Requirements and Re-Registration Requirements

Admission into the Sport Club Program at the University of Iowa as part of Recreational Services is determined each year by the Recreational Services Sport Programs staff in conjunction with the Office of Leadership, Service, and Civic Engagement (LSCE). Groups wishing to return as Sport Clubs must meet the requirements for being a Sport Club in good standing according to the policies and procedures outlined in this Guidebook.

To be a member of the Sport Club Program, a student organization must meet all the following guidelines:

- Meet the expectations of the Sport Club Program and Recreational Services, as outlined in this document and any additional annual club agreements.
• Have an active Sport Club membership of ten or more members, 80% of which must be current, fee-paying, University of Iowa students.
• Must compete in a minimum of two contests per academic year including one contest outside of Johnson County.
  o Must be competing against a group or club outside the University of Iowa.
  o Must send at least four members (does not include coaches/instructors).
  o The event must be competitive in nature, in which there are winners and losers.
  o Submit proper pre- and post-travel paperwork for trips outside Johnson County.
• Remain in good standing with the University, Recreational Services, and Sport Programs.
• Have four officers (President, Vice-President, Treasurer, Travel Officer) willing to dedicate time and effort into effectively and efficiently running club operation. The President, Vice President, or Treasurer may also serve as the Travel Officer. Officers are to be elected in early-April for the following school year to allow proper transition between outgoing and incoming officers.
• Club officers (President, Vice-President, Treasurer, Travel Officer) attend Fall and Spring Sport Club Officer Training meetings.
• Demonstrate proficient club leadership, including proper submission of paperwork and meeting other requirements of the Sport Club Program (returning clubs only).
• Have proper transition materials to help new club leadership function efficiently and effectively (returning clubs only).
• Require members to pay dues of at least $50/semester or $100/year.

Additional reasons for an organization not gaining or retaining admittance into the Sport Club Program include but are not limited to:
• Non-existent or demonstration of ineffective student leadership.
• Decline in student interest and support.
• Demonstration of club mismanagement.
• Inability to abide by Sport Club, Recreational Services, and University policies and procedures.
• Violation(s) of Recreational Services and/or University facility policies.
• Inability of the Sport Club Program as part of Recreational Services to benefit the club through staff expertise or facility space.
• Purpose or goals no longer compatible with the goals and mission of the University of Iowa Recreational Services.
D. Re-Registration
To renew membership as an active sport club, all returning clubs must complete the Sport Club Re-Registration process on Engage at the beginning of each fall and spring semester and summer session. Re-Registration Forms for each semester/session will be found on the Home page of Engage under “Organizations.” Club practices or activities may not begin without the appropriate Re-Registration Form first being approved by the Sport Programs Office. E. Sport Club Allocations Board
The Sport Club Allocations Board (SCAB) is a committee of elected club representatives that are assigned with the task of allocating funding to individual clubs. The Sport Club Program funding is allocated to the program through the Recreational Services master budget. The SCAB takes funding from Recreational Services and allocates to individual clubs based on their budget requests and presentations. The Sport Programs staff serves as advisors to the SCAB members.
during this process but have no votes in the allocation of funds. All members of the SCAB must remain in good standing with Sport Programs, Recreational Services, and the University.

II. Expectations

A. Accountability of Sport Club Officers
Club officers and members are responsible for all policies and procedures outlined in the Sport Club Guidebook. It is the student’s responsibility to be familiar with its contents as they go about their business in administering the club. Failure to know is not an excuse for those not observing policies and procedures.

Clubs or individual members who fail to conduct themselves in an appropriate manner will be sanctioned. All cases of discipline will first be reviewed by the club’s assigned Assistant Director of Sport Programs to determine appropriate actions. Clubs or its participants receiving sanctions may appeal the decision to the Associate Director of Sport Programs. Organizations or individual students filing such appeals should be aware that the Associate Director of Sport Programs might choose to levy a sanction greater than the one appealed. Extremely severe infractions will be referred to the Office of Student Accountability.

Sport Clubs function as part of the University of Iowa campus community and are representative of the University as they travel throughout the state or nationwide. Consequently, they are held to a high level of conduct both as collective organizations and as individuals. The parameters of acceptable behavior have been established by Recreational Services, LSCE, the University of Iowa, and the governing bodies of each individual sport. Club officers need to be aware of these expectations and ensure their members adhere to all policies and procedures.

B. Image and Perception
Sport Clubs, as with any organization, need to be aware of the image they may portray to the general public, campus community, and potential and current members. In addition to representing themselves, Sport Clubs represent the entire Sport Club Program, Recreational Services, LSCE, Division of Student Life, and University of Iowa. Common sense and good taste should be employed when a club or its members divulge information about the club via websites, social media, message boards, chat rooms, or any other media. Sport Clubs that are discovered to be engaging in inappropriate behavior or are presenting the club in poor taste will be sanctioned. Examples of this type of behavior include, but are not limited to, lewd acts, irresponsible alcohol consumption, alcohol use during any club events, hazing, sexually explicit images, or a general disregard for a standard of decency.
III. Eligibility

A. Participants
• All current fee-paying University of Iowa students are eligible for participation in the Sport Club Program. This includes undergraduate, graduate, professional, full-time and part-time students. Each club must consist of a minimum of 80% student members.
• Community members and University of Iowa faculty and staff are eligible for participation.
• Specific national, state and/or local governing bodies may have eligibility requirements that are not consistent with the eligibility requirements of the University of Iowa Sport Club Program. Contact the governing body for specific eligibility requirements. When such requirements conflict with Sport Club Program or other University requirements, Sport Club Program and University requirements will take precedence.

B. Hawkeye Recreation Fields (HRF)
- The HRF consists of 12 natural turf outdoor recreation fields and four sand volleyball courts.
- The following policies must be followed when using the HRF:
  - Condition of the facility, other than normal wear and tear of field conditions based on specific activity, must be left better than it was found. This includes picking-up after club use.
  - Equipment at the facility is not to be moved in any way without prior approval of Recreational Services staff.

Sport Clubs utilize many different areas of the CRWC for practices, training, and special events. The following spaces are utilized by Sport Clubs:
• Natatorium – Olympic-sized swimming pool and diving well

  o Harassment, or failure to follow the direction, of Recreational Services staff in any form will result in the immediate removal from the CRWC and possible suspension from the facility.

E. Practice Facilities
Sport Clubs and other Registered Student Organizations can request practice facility space on a recurring basis through Recreational Services and the Sport Club Program. Practice schedules for all Recreational Services facilities are determined at the beginning of each semester for all clubs turning in Practice Schedule Request Forms. Additional schedules will be made as weather seasons change. Scheduling for Sport Clubs is based on the previous semester’s Sport Club Program point standings and facility availability. Other organizations are scheduled based on a first come, first served basis with previous use as a factor of scheduling. Clubs must make use of their allotted practice space once it is scheduled to them, and not disrupt or interfere with activities taking place prior to, and after, their scheduled practice time. In all facilities, a limit may be placed on the number of regular weekly or monthly practice sessions scheduled in order to accommodate as many groups as possible with a practice schedule of reasonable frequency. **Sport Clubs that pay for Recreational Services staffing that need to cancel a practice/event must notify the Sport Programs Office at least 48 hours in advance of the practice/event start time to avoid paying the staff fees for the scheduled practice(s).**

F. Special Events
Clubs can request facility reservations for the hosting of a special event through Recreational Services and the Sport Club Program. To request to reserve a facility, clubs must submit a Facility Request Form on Engage at least two weeks in advance of the desired event. All standard facility policies apply for special events. Arrangements for participation by non-club
members must be made with Recreational Services staff prior to the event and adhere to Sport Club Program policies.

V. Funding

A. The allocation of funds to specific clubs within the Sport Club Program is the responsibility of the Sport Club Allocations Board (SCAB). The election of representatives to the SCAB and the funding request and allocation process is governed by regulations established by the Sport Programs staff.

B. A Sport Club is eligible for funding if it has been a recognized Sport Club for an entire semester (first day of classes through end of finals; summer sessions not included) before the funding process is to take place.

C. Each eligible Sport Club can submit a Budget Request Form during the established time period prior to the SCAB annual fall allocation process. All clubs that submit a Budget Request Form will receive a Budget Request Hearing of a designated length before the SCAB to provide additional details regarding its request and to answer questions from the SCAB members. Following the completion of all Budget Request Hearings, the SCAB enters budget deliberations and determines the amount of funds allocated to each club. During this process, the Sport Programs staff serves as advisors for the SCAB but does not hold voting or veto authority.

D. All fall funding is allocated on a conditional basis. Clubs cannot spend any allocated funds until they have properly completed the applicable renewal process for the Sport Club Program.

E. Additional funding may be available throughout the year based on any available sweepings. Clubs will be made aware of any possible extra funding opportunities should they arise.

F. All funds allocated throughout a given academic year must be spent by the deadline set forth by the Sport Club Program.

G. Any purchases made with University funding are for club-use only. Purchases for personal use are not permitted. Purchases must be made using the proper process outlined in the Sport Club Guidebook.

A. Travel Eligibility
All club members wishing to travel to participate in club activities must be eligible for Sport Club participation as stated in the Sport Club Guidebook, be included on the Club Roster, and have properly completed the appropriate waiver.

B. Travel Paperwork
Sport Clubs must submit proper paperwork to the Sport Club Office before and after traveling for competition, or any other club function. The deadline for Pre-Travel paperwork is 4:30 PM three business days before departure. If it is a weekend trip (leaving Iowa City on Friday, Saturday or Sunday) the Pre-Travel paperwork is due at 4:30 PM on Tuesday the week of the
The deadline for Post-Travel paperwork is 4:30 PM two business days after return to Iowa City.

  o Post Event Form. Due by the Post-Travel deadline as stated above.

- Trip Not Using Club Funds - For clubs taking a trip in which no members are getting reimbursed using club funds, the following properly completed paperwork is required by the deadline:
  o Pre-Travel Form. Due by the Pre-Travel deadline as stated above.
  o Travel Roster. Due by the Pre-Travel deadline as stated above.

- The purpose of travel is to participate in club activity.
- Clubs are encouraged not to travel at late hours or very early hours when it may be harder to stay alert.
- Drivers are required to know, obey, and uphold all traffic laws.

D. “High-Risk” Trips
Trips deemed to be “high-risk” by University lawyers, officials, Recreational Services, and/or Sport Programs administrative staff will require the attendance of a University full-time faculty or staff member as a chaperone to the trip or may be disallowed completely. “High-risk” trips include those in which the propensity to drink or to display inappropriate behavior is at a higher-level than standard trips. A chaperone is required because the nature of such trips subject club members to bad decision-making or dangerous elements.

VII. Alcohol

Sport Clubs are prohibited from consuming and/or possessing alcohol at any sanctioned club events other than those at alcohol-licensed business establishments. Alcohol is prohibited at all Recreational Services facilities including on property owned (boats, vehicles, etc.) or rented (other facility rentals) by the University. Further, clubs cannot sponsor, host, endorse, or promote any activities in which alcohol consumption is the prominent activity. This includes, but is not limited to:

- Hosting an event in which alcohol consumption is the prominent activity (including fundraisers, parties, bar crawls, etc.).
• Promoting an event in which alcohol consumption is the prominent activity (including fundraisers, parties, bar crawls, etc.).
• Allowing club members, visiting club members, and club event spectators to possess or consume alcohol while at Recreational Services facilities or site of competition/event, including events held off-campus and at other institutions.
• Allowing club members or visiting club members to participate in competition/event while intoxicated.
• Suggesting to potential and/or current members that the club hosts parties, bar crawls, campfires, meetings, or other events in which alcohol consumption is the prominent activity.
• Sport Clubs are also subject to the guidelines set forth by the University Illegal Drugs and Alcohol Policy. The University Illegal Drugs and Alcohol Policy can be found at https://dos.uiowa.edu/policies/illegal-drugs-and-alcohol/.

VIII. Social Networking Sites

Sport Clubs are encouraged to promote themselves via social networking sites such as Facebook, Twitter, and Instagram. When creating a group to promote a club and disseminate club information, the official club name must be used as the group name (Iowa _______ Club or ________ Club at the University of Iowa). Groups must be left public to those in the Iowa network, to allow interested individuals to join the group. Groups that are not made public are in violation of this policy. Any pictures, events, and/or discussions on the group page must uphold the proper images of the club, Recreational Services, and the University, and must not include inappropriate language, express any negative attitudes towards individuals/staff, or display any inappropriate behavior by club members as noted in the Sport Club Guidebook. Club pages may not be used to promote parties, socials in which alcohol will be consumed, or anything of that nature (see Article VII). Any information found on group pages are subject to all the policies outlined in this Guidebook. Group pages must be kept current and up-to-date.

IX. Equipment

A. Purchases

Clubs will find it necessary to make equipment purchases at various times throughout the year. Rules and policies set forth by the University of Iowa Purchasing Department will apply to all purchases made using Sport Club funds. The Purchasing Process is outlined in the Sport Club Guidebook. All purchases are subject to the approval of the Sport Programs staff. Purchases can be for club-owned equipment only; personal equipment purchases are not permitted with University-allocated funding. Purchases will only be approved if there is a place to store and utilize the equipment.
B. Rentals
All rental agreements are subject to the approval of the Sport Programs Office. Rentals can be for club-used equipment only; personal equipment rentals are not permitted with University-allocated funding. Rentals will only be approved if there is a place to store and utilize the equipment.

C. Donations
When a club proposes to acquire equipment via donation, such donation must be coordinated with the Sport Programs staff.

D. Equipment Ownership and Selling/Disposal
All equipment purchased with club funds, or obtained through donation to the club, are property of Recreational Services. Disposal or sale of any Recreational Services equipment must be communicated to, and coordinated by, the Sport Programs staff.

E. Maintenance
Clubs will hold responsibility for the repair, maintenance, and replacement of equipment for which they have purchased or have had donated to the University. Any costs incurred will be the responsibility of the club and must either be included in the club’s annual budget request for allocation or be paid through fundraising activities by the club.

E. Storage
- Costs associated with off-campus storage of Sport Club Program equipment are the responsibility of the club and must either be included in the club’s annual budget request for allocation or be paid through fundraising activities by the club.
- The Sport Programs Office may, at any time, request to see University-owned equipment. If the equipment is being stored at an off-campus facility, Recreational Services administrators retain the right to access the equipment unannounced. For inventory and property records purposes, Recreational Services administrators may need to access the equipment without prior notification of the club and its members. For smaller equipment stored at a club member’s private residence, requested equipment must be produced to the Sport Programs Office within 48 hours of the request.

G. Recreational Services Equipment
Equipment owned by Recreational Services may be used for non-club related events as deemed necessary by the Recreational Services staff.

X. Non-Travel Forms
After the Sport Club Re-Registration Process process is complete each semester, Sport Clubs are required to submit various forms by the deadlines stated in the Sport Club Guidebook and given to them by the Sport Programs Staff. These forms include:
XI. Intramural Sports Participation Policy

No more than two players on an Intramural team roster may be a coach of an intercollegiate team, a practice squad member of an intercollegiate team, a former member of an intercollegiate team, or a member or coach of a sport club in a related sport. Sport club members or coaches will be determined by the Recreational Services Sport Programs staff, or by any public information regarding that sport club. A Sport Club Member/Coach is considered a member of that sport club for one full semester, from the start of classes until the end of finals, following the removal from the club roster (Ex. A person removed from a club roster in the Fall 2021 semester would be considered a club member until the end of the Spring 2022 semester.) NOTE: Summer is considered an extension of the Spring semester.

EXCEPTION: In “Advanced” Leagues there is no restriction to the number of former coaches of an intercollegiate team, practice squad members of an intercollegiate team, former members of an intercollegiate team, or members/coaches of a sport club in a related sport that can be on the same team roster.

XII: Insurance Clarification

Sport Clubs are encouraged, and sometimes required, to have their own insurance through a national governing body or another third-party organization. The University of Iowa does not provide insurance coverage to Sport Clubs or participants. Participants generally must rely on their own personal health insurance to respond to illness or injury.

XIII: Hazing Policy

Hazing is not tolerated at the University of Iowa. See below for a statement on hazing from the University of Iowa Code of Student Life.

D.26 Hazing. Any intentional or reckless action or situation, with or without consent, that endangers a student or creates risk of injury, mental or physical discomfort, harassment, embarrassment, and/or ridicule for the purpose of initiation into, affiliation with, or as a condition for continued membership in any student organization, fraternity, sorority, or team recognized by the University of Iowa Student Government or by any other University sponsor or department. Hazing may occur on or off campus. Acts of hazing include, but are not limited to: compulsory alcohol or drug consumption; physical brutality; psychological cruelty; public humiliation; morally degrading activities; forced confinement; creation of excessive fatigue; required removal or destruction of public or private property; or any other activity that endangers the physical, mental, psychological, or academic well-being and/or safety of an
individual. Officers and members of a student organization who knowingly permit such prohibited activity to occur without taking reasonable preventative measures are subject to the Code of Student Life as an individual, even if they did not administer the hazing activity.

XIV: Recreational Services and Student Life Marketing + Design

To help promote Sport Club activities, Recreational Services and Student Life Communications can provide the following opportunities to clubs:

- Digital Displays in all four indoor Recreational Services buildings
  - The advertisement must be created by the Club and submitted to the marketing coordinator following the appropriate guidelines, found here: recserv.uiowa.edu/advertising
- Tabling in one of three facilities (CRWC, Field House, or HTRC) for up to two hours
  - Guidelines for requesting a table may be found here: recserv.uiowa.edu/advertising
- Social Media re-posting of Club social media activity using #UISportClubs or by tagging @UIRecServices and @IowaSportClubs

It is strongly suggested that Sport Clubs take advantage of these promotional opportunities as they are free of cost as a benefit of being part of the Sport Club Program.

XV. Licensing

A. Policy Overview

Use of the University of Iowa’s word marks, trademarks, logos, and/or symbols creates an association with the University that needs to be protected. With that in mind, the University allows usage only by Sport Clubs officially recognized by the University’s Recreational Services and only after an Internal Application and Agreement has been submitted and approved by the University of Iowa Trademark Licensing Office.

All Sport Clubs have a select person or persons who are authorized to represent Sport Clubs. The Engage Student Site has a listing of the authorized officers for coordination with University departments. If Sport Clubs do not have an advisor, then the officer listed on the Engage Student Site must preapprove the desired products and design concept prior to any submission of the licensing application and artwork to the Trademark Licensing Office. It should be noted that final approval of all products and artwork bearing word marks, trademarks, logos and/or symbols associated with the University of Iowa are at the discretion of the Trademark Licensing Office consistent with the Iowa Visual Brand Standards Manual and the Trademark Licensing Office’s policies.

Word marks, trademarks, logos and/or symbols associated with the University of Iowa are the intellectual properties of the University and are registered both at the state and federal levels. To protect the intellectual properties and traditions of the University, the Trademark Licensing Office reviews all applications, and requires that all products bearing word marks, trademarks,
logos, and/or symbols associated with the University of Iowa to be manufactured by an officially licensed vendor of the University. Please allow two weeks for processing of your request and note that the beginning of each academic semester is a peak time for application submissions. Additional processing time may be required in those periods.

B. Requirements and Restrictions

Licensed Vendor
It is imperative that an officially licensed vendor is used for the production and manufacture of any products bearing word marks, trademarks, logos and/or symbols associated with the University of Iowa. Officially licensed vendors are required by the Trademark Licensing Program to be members of the Fair Labor Association (FLA), which ensures that their products are made by the most trusted manufacturers. Furthermore, unlicensed vendors who produce and manufacture products bearing word marks, trademarks, logos, and/or symbols of the University may be liable to significant legal penalties under the Lanham Act of Federal Trademark Law. Please call the Trademark Licensing Office at 319-384-2000 for help on selecting an officially licensed vendor to suit your product needs.

Artwork
In all cases, when recognized Sport Clubs would like to use word marks, trademarks, logos, and/or symbols associated with the University of Iowa, the proposed artwork design must feature the official name of the Sport Club. To maintain the design integrity of the University brand, it is mandatory that all marks be applied as indicated in the Iowa Visual Brand Standards Manual. Trademarks may not be altered in any way, nor are amalgamations with other trademarks permitted.

- Uniforms for Competition
  - All uniforms that do not include the official club name must feature the “IOWA Sport Clubs Patch” as it is the primary identifier of Sport Clubs at the University of Iowa. Furthermore, the “IOWA Sport Clubs Patch” serves to differentiate Iowa Sport Clubs from an intercollegiate athletic team affiliated with the University of Iowa Department of Athletics.
  - Contact the Sport Programs Office of Recreational Services for the “IOWA Sport Clubs Patch”.
  - The official Sport Club name does not need to be on competition uniform when the “IOWA Sport Clubs Patch” is applied to the uniform.

  - Example: XYZ Sport Club and the block IOWA logo
- The “IOWA Sport Clubs Patch” shall not be used on any non-competition items.
- The Tigerhawk is the primary brand of the University of Iowa Athletic Department and shall not be used in association with non-competition items for Iowa Sport Clubs.

Use of a current student-athlete’s name or likeness on products is a violation of NCAA rules and can result in the student-athlete being declared ineligible. Any use of a student-athlete’s name, nickname, likeness must be approved by both the University of Iowa Trademark Licensing Office and the University of Iowa Athletics Department Compliance Office.

Co-Branding and Trade Dress
Combinations of University marks with other intellectual properties and/or trade dress not associated with the University of Iowa are prohibited. This includes references to other schools. Unauthorized use of third-party intellectual properties is a violation of federal and state law and such artwork will not be approved for use.

- Example A: XYZ Sport Club using the National Football League (NFL) logo but changing the letters to read “XYZ” instead.
- Example B: ABC Sport Club using the Coca-Cola font on a shirt that reads “ABC Sport Club at the University of Iowa.”

Sponsorship Use
When Sport Clubs engage in third party businesses, organizations, and/or individuals as sponsors of their Sport Club, the following guidelines shall apply in all instances if word marks, trademarks, logos, and/or symbols associated with the University of Iowa are intended to be used:

• Businesses, organizations, and/or individuals shall not apply a designation to Sport Clubs sponsorship, which implies a relationship and/or endorsement by the University of Iowa.
• Sponsorship recognition on promotional items shall be limited for the purpose of Sport Clubs sponsorship recognition only and shall not be used as sponsor’s sales incentives or marketing efforts.
  o Permitted: Sponsor pays for promotional item in exchange for sponsorship recognition per aforementioned guidelines.
  o Not Permitted: Regardless of who pays for the promotional item, sponsor shall not benefit directly from the sales and/or distribution of the promotional item.

Artwork Approval Process

**XVI. Penalties**

Penalties for violations of policies set forth by the Sport Club Program, Recreational Services, LSCE, and the University of Iowa are outlined below. Penalties listed below are assessed by the Sport Programs administrative staff. Violators of any rule, regulation, or policy are subject to additional penalties set forth by the individual program, department, or entity in which the violation occurred.

**A. Definitions**

**Suspension**

Suspension of a Sport Club includes the loss of the club’s ability to use allocated facility space for practice or for a special event, to spend any allocated funding from the Sport Club Allocations Board, and to represent the University of Iowa in competition or any sort of travel. A club’s suspension means immediate cease in club activity until the suspension is lifted. Upon suspension, the Sport Club will receive an official notification from their Assistant Director.
Probation
A club that is put on probation must earn 90% of points possible in the Sport Club Points System during their semester of probation. Should the 90% not be reached, the club will be suspended for the following semester. Should the 90% be reached, probation will be lifted. Additionally, any club that is on probation is subject to suspension with or without warning in the event of a Sport Club Program, Recreational Services, or University policy violation. Upon probation, the Sport Club will receive an official notification from their Assistant Director.

Summer does not qualify as a semester as it pertains to probation or suspension status.

Warning
A warning is issued to a club as stated in the Sport Club Policies and Procedures. A club that has received a warning may be suspended for a second violation without being subject to probation. A warning is not required prior to suspension for a major violation.

B. Assessment of Penalties

Expectations
Sport Clubs that portray a negative image during participation on or off campus will receive no less than a warning for improper behavior. Depending on the severity of the incident(s) a club in violation may be suspended from the Sport Club Program without warning, as a direct result of improper behavior.

Participation
Clubs allowing an individual to participate that has not completed a waiver will receive no less than a warning. If the problem persists, or more than one ineligible participant is discovered, the club may be suspended from the Sport Club Program.

Registration
- Sport Club Program - Sport Clubs that do not meet the re-registration requirements of the Sport Club Program by the deadline set forth by the Sport Club Program will be considered inactive for the semester.

Facilities
Violations of individual facility policies are subject to the penalties set forth by the facility’s governing program area, as well as penalties set forth by the Sport Club Program. Failure to utilize a facility during scheduled recurring practice time without prior notification of the Sport Programs Staff will result in the loss of scheduled practice time. Severe violations as determined by facility staff, in conjunction with the Sport Programs Staff, will result in the loss of the privilege to reserve facility space for hosting special events. Facility violations may also result in suspension from the Sport Club Program and loss of all facility use including previously scheduled facility reservations.
Funding

- A club that is funded by the SCAB that does not complete the Sport Club Program re-registration process by the deadline will lose all previously allocated funding, and such funds will be reallocated by the SCAB during special reallocations.
- Clubs that do not spend all their allocated funding by the deadline(s) set forth by the Sport Club Program will lose any available funding at the time of the deadline. SCAB allocated funds are the first funds used during a club’s spending in a given year.
- Any club or individual club member that uses funds for the purchase of personal equipment, apparel, etc. will lose any remaining allocated funding for that academic school year. Other penalties may be enforced by Sport Club Program, Recreational Services, or University administrators. In most cases, a report of theft will be reported with the University of Iowa Police Department.

All suspensions occur regardless of previously scheduled out-of-town competitions that may be scheduled during the suspension period.
  - **Trip Using Club Funds** - Failure to turn-in proper paperwork before or after the trip in which club funds are being used will result in the reimbursement request being denied. No reimbursements can be granted if properly completed paperwork is not submitted to the Sport Club Office. If proper paperwork is not completed for a charge that was paid in advance using club funds, the club will be suspended until the proper paperwork is completed. Additionally, late paperwork for a charge paid in advance using club funds, via University credit card, may result in losing the opportunity to pay charges in advance for up to six months.

If no funds are available to the club, and no appropriate storage space is available for said equipment, the Sport Club Program as a part of Recreational Services retains the option of releasing the equipment via the University of Iowa Property Surplus process.
