Section 2 | Requirements & Expectations

Recent policy changes will appear in highlighted and italicized font.

This section will provide you with requirements and expectations of becoming a member of, or retaining membership in, the Sport Club Program. Failure to meet these requirements and expectations can result in not being a recognized Sport Club with the Sport Club Program.

Requirements & Expectations | LSCE and SCP Recognition

Recognition & Registration

University recognition of each sport club expires annually at the beginning of each semester. Each club must complete the online recognition process with the Office of Leadership, Service, and Civic Engagement (LSCE) in the fall semester and the spring semester by the established deadlines. In addition to gaining recognition from LSCE, clubs must register with the Sport Club Office to gain, or regain, status as a Sport Club under Recreational Services. Training on these processes is given at the Sport Club Officer Trainings at the beginning of each semester.

LSCE Recognition

Each semester, returning clubs must update their Engage pages with current club information by the stated deadline on Sport Club materials. If this requirement is not met, the club will not be recognized as a student organization that semester and must apply for reinstatement the following semester.

Additionally, club constitutions must be reviewed by club officers, and the most recent version uploaded to Engage. It is recommended that constitutions are reviewed annually with the club’s designated Assistant Director.

Sport Club Registration

The following paperwork must be properly submitted to the Sport Programs Office to complete the Sport Club Registration process. These forms can all be found by logging into Engage and going to the Sport Club home page. See the Important Dates section or the Points System for due dates.

- **Club Roster** – Includes listing of all members including name, email address, and their classification (student, faculty/staff, community member). Download from Engage, complete, and upload to the Club Roster Upload form on Engage.

- **Safety Officer Certifications** – Each club is required to have two Safety Officers that are currently certified in CPR/AED/First Aid and have completed the NFHS Concussion signs and symptoms training. Current certifications must be uploaded to Engage. Safety Officers must be students.

- **Concussion Certifications** – Each club is required to have both Safety Officers take and complete the NFHS Concussion signs and symptoms training. Clubs may be required to have more members take and complete the course, depending on level of risk. The required number of Proofs of Completion must be uploaded to Engage. Consult your Assistant Director or review the guidelines under Risk Management (page 30) to find out the appropriate number of club members are required for your club.
• **Coach / Instructor Agreement(s)** – Must be completed each semester. Clubs that do not utilize a Coach/Instructor must turn in a form with the club name and “N/A” in the first blank. Clubs are allowed up to two non-student coaches/instructors. A separate form is required for each coach/instructor. These forms must be completed and approved prior to the coach/instructor’s involvement with the club.

• **Officer Information Form** – Form downloaded from Engage, completed, then uploaded to Engage to provide the Sport Programs Office with the most up-to-date officer information.

• **Practice Schedule Information Form** – Engage Form completed each semester to provide the Sport Programs Office with information on your practice schedule. A new form must be completed any time there is a regular change in your club’s practice schedule.

• **Monthly Events Form** – Club schedule for the first “month” of the semester following the first SCAC Meeting.

• **Guidebook Agreement** – Signed by the club president, agreement that the club knows, understands, and will abide by the guidelines set forth in the Sport Club Guidebook.

• **Participant Waivers** – *Participant Waivers* must be completed annually by each member of the club listed on the club roster. *Student or faculty/staff members need to submit this waiver digitally on Engage. Community members need to submit paper waivers which can be printed from each Sport Club’s engage page.* New members must complete a waiver prior to participation in any practice, event, or competition.

**Sport Club Officer Position Descriptions**

Each club must have the following elected officers who must be full-time University of Iowa students. Contact information for each officer must be kept up-to-date with the Sport Programs Office.

The positions are President, Vice President, Treasurer, and Travel Officer. Two Safety Officers are also required. The President, Vice President, or Treasurer may also serve as the Travel Officer. The four elected officers may also serve as Safety Officers.

**Travel Officer**

The Travel Officer position is a required position for all Sport Clubs and is of particular importance for clubs that travel frequently for competitions. The President, Vice President, or Treasurer may also serve as the Travel Officer. The Travel Officer should assume the following responsibilities:

- Know and follow all University and Recreational Services travel policies and enforce among teammates.

**Safety Officers**

A minimum of two (2) Safety Officers are required for all Sport Clubs. Any club member that is a student and already CPR/AED/First Aid certified is qualified to act as Safety Officer. If no member of the club has his/her certifications, classes are offered by Recreational Services free of charge. A copy of all certifications must be on record with Recreational Services annually via Engage, prior to the established deadline. Safety Officers must also become concussion certified through NFHS or another reputable group approved by Recreational Services. The Safety Officers will assume the following responsibilities:

- Maintain current CPR/AED/First Aid certifications and upload new certifications to Engage as necessary.
- Re-certify in concussion signs and symptoms annually and ensure that all additional concussion certification requirements are met by other club members as necessary.
- At least one Safety Officer is required to be present at all practices and events.
- File an accident report for club members who are injured and require treatment during on or off campus practice, competition, informal recreation, or instruction related to the Sport Club to Sport Clubs Staff (E216 FH) within 48 hours of the accident when medical treatment is needed.
For all off-campus practices, the Safety Officer must provide the Sport Programs Office with an Emergency Action Plan.

Some additional, optional, officer possibilities include Fundraising Chair, Community Service Chair, Publicity & Advertisement Manager, Event Manager, Recruitment Chair, and/or Historian.
Monthly Event Schedule
Each club is required to submit a monthly event schedule. The purpose of the monthly event schedule is to make sure the Sport Programs Office knows the schedule of each club, so we can make sure we are assisting clubs in whatever is needed for their events.

A blank Sport Club Monthly Event Schedule form can be found under Documents by logging in to Engage and visiting the Sport Club home page. Download the blank form, complete it, and upload the completed form to Engage by the stated deadline. Monthly event schedules should include any activities/events outside of regular practice or meetings. Each due date is the same as an SCAC meeting date. The dates required on the report are determined based on the SCAC meeting schedule and are outlined below.

Failure to submit a monthly event schedule will result in loss of points in the Sport Club Program Point System.

A blank copy of a monthly report is included in the following pages of this manual.

- Officer Information Form

- Travel Paperwork – As necessary before and after club travel
- Post-Event Form – As necessary after travel or hosting an event/match

Final Paperwork
- Transition Notebook/Drive & End-of-Year Meeting
  - The Transition Notebook is a compilation of important information in regard to club business. It can be a notebook, a file, or saved electronically. This should include information such as past budget information, contact information, alumni contacts, fundraising records, and any other pertinent club information. This notebook should be designed to be passed between outgoing and incoming club officers from year to year.
  - This notebook will be presented to the club’s assigned Assistant Director at the end of each spring at each club’s second One-on-One Meeting. It is preferred that the club’s current officers and incoming officers all meet with
the Assistant Director to discuss how the year went and what the club can work on going into the following year.

Paperwork must be turned in by 11:59 PM on the due date. A list of due dates can be found in the Summary of Points Available section in the following pages of this guidebook.

**Community Service**

Each club will have the opportunity to earn extra points by doing community service projects throughout the year. Community service is deemed as services volunteered by individuals or an organization to benefit a community or its institutions. Some examples are the American Heart Association’s Heart Walk, sport clinics, Habitat for Humanity, or doing a neighborhood cleanup.

Clubs can earn up to 20 bonus points for community service. To earn the first 10 points, the number of community service hours performed by the club must be equivalent to the number of club members. Once those hours are documented and turned in to the Sport Club Office, the club will receive 10 bonus points. If the club does this again, it will earn an additional 10 bonus points.

Prior to doing community service, a Sport Club Community Service Pre-Event Approval Form must be completed. This will allow the Sport Club staff to review to make sure it will count towards necessary hours. Once the community service has been performed, a Sport Club Community Service Post-Event Form must be completed to document the community service performed. Verification of the community service must be provided by a representative from the organization that was served.
Expectations and Discipline
Club officers and members are accountable for all policies and procedures outlined in the Sport Club Guidebook and must also abide by the University of Iowa Code of Student Life. It is the students’ responsibility to obtain copies and effectively utilize the Sport Club Guidebook. Failure to “know” is not an excuse for those not observing policies and procedures. Clubs or individual members that fail to conduct themselves in an appropriate manner may be sanctioned.

Disciplinary procedures start with the club’s assigned Assistant Director of Sport Programs in coordination with the Associate Director of Sport Programs. Disciplinary procedures can also extend to the LSCE or the Office of Student Accountability. Sanctions may include, but are not limited to, loss of privileges and suspensions. In very serious situations, clubs may be disbanded and/or individuals banned from participation. Students are encouraged to discuss sanctions with their assigned Assistant Director of Sport Programs.

Club Expectations
- In all club-sponsored activities, club members must assume full responsibility for following local, state, and federal laws as well as university regulations such as the Code of Student Life.

- Each club must maintain goals and objectives that are consistent with the educational mission of the university.

- Clubs must be recognized online each semester with the LSCE.

- Each club must have a club roster on file in the Sport Programs Office listing all members, their email addresses, and their classifications. The roster must be updated on a regular basis to include new members and remove old members.

- Each club must review and update its constitution annually.

- Each club is responsible for completing and submitting proper forms.

- Each club is responsible for assuring representation at the monthly SCAC meetings and mandatory workshops.

- Each club is responsible for abiding by the guidelines, policies and procedures set forth in the Sport Club Guidebook.
Requirements & Expectations | Club Expectations & Discipline

Compliance Requirements
All Sport Clubs must comply with certain paperwork and meeting requirements each semester to remain a Sport Club in good standing. In general, Sport Clubs must maintain at least 80% compliance in the Sport Club Program Point System, though the expectation is that all Sport Clubs will be 100% compliant every semester.

Non-Compliance Sanctions
Probationary Status
If a Sport Club does not complete at least 80% of compliance requirements during a semester, the club will be put on probation for the following semester.

During the probationary semester, the Sport Club must complete 90% compliance in the Sport Club Program Point System to be removed from probationary status. The Sport Programs Office reserves the right to add additional sanctions as necessary.

Suspended Status
Failure to complete the requirements to be removed from probationary status will result in the Sport Club being considered suspended. A Sport Club labeled as suspended will not receive any funding, will not travel, and will not have practice space or times. Suspended clubs will not have access to their Engage page or their University accounts. Suspended clubs may not recruit or utilize the University of Iowa name to compete during their suspension. All club activity must cease during suspension.

The Sport Club may request to return to probationary status after one semester of suspended status with approval of the Sport Programs Staff. The Sport Club will be required to complete 90% of requirements for the first semester of return. Following the completion of the semester of return with adequate compliance, the club may return to an 80% compliance requirement with approval of the Sport Programs Staff and be considered a club in good standing.

Requesting a Review of Club Status
Sport Clubs may request a review of the Sport Programs Office’s decision for the Sport Club to be placed on probationary or suspended status by completing the following:

1. Request a Review of Club Status in writing (email is acceptable) to your assigned Assistant Director within 48 hours of being notified of club change-in-status.
2. The Assistant Director will set-up a meeting with the club officers and the Associate Director of Sport Programs to discuss the review within one-week.
3. The Associate Director of Sport Programs will make a final decision regarding the club’s status within three business days following the meeting.
Role of Sport Club Coaches/Instructors
If desired, it is the responsibility of the sport club to secure the services of a coach/instructor for their club. Clubs can have up to two non-student coaches/instructors. Coaches/instructors should be preferably experienced within the specific area of instruction and possess the necessary certifications and licenses, if they are required. For each coach/instructor that a club has, a Coach/Instructor Agreement must be completed. If your club plans to pay your coach/instructor for their services, please fill out the “Paid Coach/Instructor Agreement Form”. If your club plans to use a volunteer coach/instructor, please fill out the “Volunteer Coach/Instructor Agreement Form”. Each form will consist of two different sections; the first section must be filled out by the Sport Club Officer(s) and then submitted to their assigned Assistant Director for approval. When/If Section One of the form has been approved, the Sport Club Officer can then begin Section Two of the Coach/Instructor Agreement Form which must completed by the coach/instructor and Sport Club Officer(s) and then submitted to their assigned Assistant Director for final approval. Examples of both forms are below. The Sport Programs Office reserves the right to deny the club’s request to hire a specific coach/instructor.

Coach/Instructor Regulations

1. The maximum number of coaches/instructors per each club is two.

2. If you have an exception and need more than two coaches/instructors, a written appeal must be filed in the Sport Club Office and approved by the Sport Programs staff.

3. The Coach/Instructor must be aware of and follow all university and Sport Club policies and procedures.

4. The Coach/Instructor should restrict their contributions to coaching and/or instruction and should refrain from activities involved in the club’s management. A Sport Club is first and foremost a student organization and, as such, the student representatives (not the coach/instructor) should serve as the liaison between the club and the Sport Programs staff, the University, and all non-university agencies. The philosophy and key to the success of the Sport Club Program has been the continued emphasis placed on student leadership and participation.

5. The student members must handle club business matters (hosting tournaments, submitting forms, equipment requests, etc.) with the coach/instructor serving in an advisory capacity. Club activities and events should be a team effort and not left solely to the coach/instructor or the student representative.

6. Coaches/Instructors must always help to ensure good sportsmanship. Individuals must always conduct themselves in a manner that does not detract from the reputation of the University of Iowa. This includes behavior in game situations, contact with other teams, and interaction with event staff. When involved in off-campus events or when
traveling, coaches must be aware that they are still representing the university and must act in a professional manner.

7. Paid coaches can be reimbursed using club funds for their time and efforts. However, the amount for payment must be determined prior to the work being done and must be documented on the Coach/Instructor Agreement each semester.

8. It is recommended that all coaches/instructors purchase medical and liability insurance, as they are not covered by the University of Iowa.

9. Coaches/Instructors should refrain from making appointments with the Sport Programs staff without a club officer.

10. The Sport Programs Office has the right and obligation to protect the club, and if, in the staff’s opinion, the coach/instructor is not working in the best interests of the club, the coach/instructor will be relieved of his/her duties.

11. Coaches should not, under any circumstances allow hazing to take place within the club, nor should they allow an environment of hazing to exist.

12. Coaches that are volunteer (not paid) must complete the appropriate volunteer paperwork required by University of Iowa Risk Management.

13. Coaches that are paid must complete paperwork with University of Iowa Division of Student Life Human Resources.

## Requirements & Expectations | SCP Points System

### Point System
The point system has been put into place to determine the next year’s practice reservation priority and to be a measure of performance of the clubs for the Allocations Committee to use when deciding budget allocations. Clubs earn points by turning paperwork in on time, attending SCAC meetings and events, and good standing throughout the year. There are also penalty points for not submitting proper paperwork on time, or at all.

Spot Checks
Spot checks will take place at least three times a semester by the Sport Program Supervisors for all clubs. Spot checks should not take more than five minutes of the officer’s time during practice. The following will be checked and documented during spot checks:
• Number of people at practice
• Most recent Sport Club roster compared with those at practice
• Safety Officer at practice (with CPR/AED/First Aid and Concussion Certifications on file)
• Officer Contact Information

Sport Clubs without at least ten people at practice will be re-checked to ensure the required minimum number of members is being met and will receive a “Minor Offense Penalty” in the Sport Club Program Point System. Anyone practicing who is not on the roster and does not have a waiver signed will be required to fulfill these requirements prior to continue practicing or will be required to leave. If there is not a certified Safety Officer at practice, the practice will be immediately ended, and practices will not continue until there is a Safety Officer on file. No exceptions.

Waivers
Waivers must be signed annually by anyone participating in Sport Club activities, including practices. All students, faculty, and staff must complete the waiver on Engage. Community members must sign paper waivers which can be printed from the club’s Engage page.

Accident Reports
Accident Reports must be filled out following any injury or incident. Should an Accident Report be filled out, it should be turned in to Sport Programs Office within 48 hours of the accident.

When the Sport Club is on-campus in a Recreational Services-staffed facility, they should have the Facility Supervisor fill out the form. When the Sport Club is off-campus, including while
traveling, the Safety Officer should complete the Accident Report. This report can be downloaded from Engage, found by logging in to Engage and visiting the Sport Club home page. Copies of blank Accident Reports should be brought to all club activities in the event of an emergency.
